

# **Originating A New Science with Poet-Feelings**

—An Plain Talk on BMKI by Hanfei Bao

Lu Shi

Shanghai Science-Technology Publishers, 200020

**Abstract** The paper presented some understandings about the philosophic and scientific backgrounds, some important conclusions on mental- and physical components of human knowledge, the theories of the knowledge-back-spaces of reasoning and associations and the “beacon-compass-strategy” of the Theory of Bio-Medical Knowledge Integration(BMKI) originated by Professor Hanfei Bao, under the relevant lines of his poems.

**Key Words** the Theory of Bio-Medical Knowledge Integration (BMKI), Medical Informatics, Artificial Intelligence, Cognitive Sciences
